TECHNICAL SKILLS

Frontend

HTML5, CSS3, JavaScript (ES6+), TypeScript, React, Next.js, Tailwind CSS, Bootstrap, Sass

Backend & Database

Node.js, Next.js API Routes, PostgreSQL, SQL, REST APIs, Better Auth, Express.js (basic)

Tools & Platforms

Git, GitHub, Neon, Vercel, Firebase, Resend, EmailJS, Zoho Mail

Additional

Python and Java (basic)

LANGUAGES

Uzbek	Native
English	B2
Russian	B1
Latvian	A2

STRENGTHS

Problem-solving · Team collaboration · Communication · Adaptability · Time management

Current focus
Building responsive, secure web applications with end-to-end ownership: UI, APIs, authentication, databases and deployment.

PROFILE

Junior Full-Stack Developer focused on creating accessible, responsive, and practical web applications. Hands-on experience with React, Next.js, TypeScript, REST APIs and PostgreSQL, including building and deploying a multi-user CRM. Comfortable working across frontend interfaces, server-side logic, authentication and cloud deployment.

SELECTED PROJECTS

ClientFlow CRM

Live demo ↗

Next.js · TypeScript · PostgreSQL · Better Auth · Neon · Vercel

- Built a multi-user CRM with customer CRUD, search, pagination, and user-scoped database access.
- Implemented session-based authentication, protected API routes, admin access, profile settings and avatar uploads.
- Developed live dashboard metrics and Recharts visualizations; deployed the full-stack app to Vercel with Neon PostgreSQL.

Cinema Web Application

Live demo ↗

React · TypeScript · Bootstrap · Firebase · REST API

- Developed a responsive cinema app with a dynamic movie carousel and external API integration.
- Implemented Firebase user authentication, password reset and real-time data storage.

Responsive E-Commerce Platform

Live demo ↗

React · TypeScript · Bootstrap · React Icons

Built a responsive shopping platform with product pagination, React Icons, and a shopping cart that persists items using LocalStorage.

Personal Portfolio

anvarjon.eu ↗

Designed a responsive portfolio to showcase development projects, technical skills and experience.

WORK EXPERIENCE

Sushimaster · MaxiSushi

2019 – Present

Ādaži, Latvia

- Collaborate with colleagues in a fast-paced service environment while maintaining quality and customer satisfaction.
- Handle requests under pressure, adapt to changing priorities and consistently meet time-sensitive goals.

EDUCATION

Tourism and Hospitality Management
Baltic International Academy · Riga, Latvia · 2019–2021

Aviation Transport
Riga Technical University · Riga, Latvia · 2015–2018
